MEMORANDUM FOR: Assistant Chief of Staff, Intelligence
Headquarters, USAF

SUBJECT: Commendation for Colonel Daniel E. Teberg,
U.S. Air Attache, Prague, Czechoslovakia

1. This Office wishes again to commend the former U.S. Air Attache in Prague, Colonel Daniel E. Teberg, for the fine quality of his intelligence reporting. Colonel Teberg's reports have continued at the same high level commented upon in a letter forwarded on 8 April 1957 on this same subject.

2. Colonel Teberg's reports from Prague for the period mid-1956 to mid-1959, in our opinion, have been unusually fine examples of precision and clarity, and could serve as models of intelligence reporting.
